01 — WHERE THE AFL LIVES

Where the AFL lives: state bubble map + per-club bar

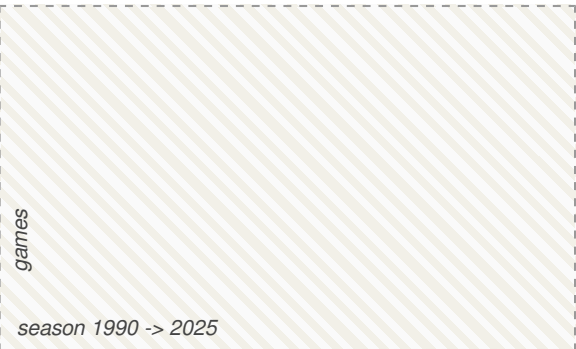

[chart 1 / MAP + BAR]

Two linked panels: map = 5 state bubbles sized by wins, bar = all 18 clubs ranked, shared state-colour palette.

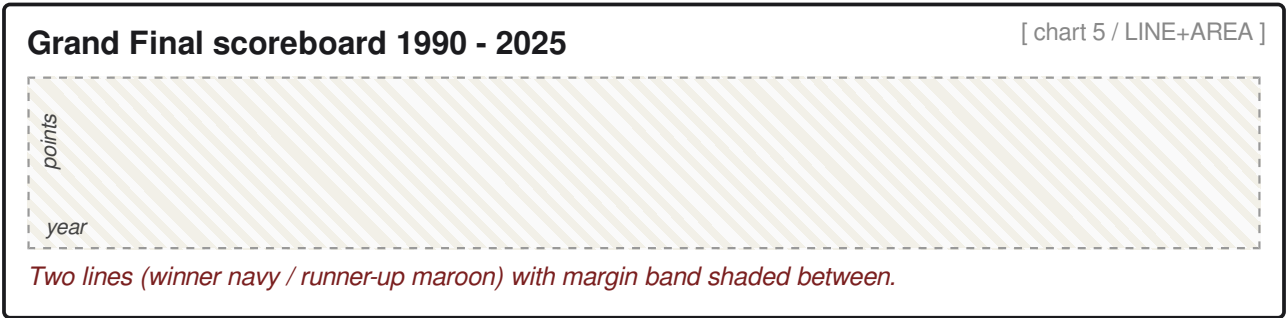

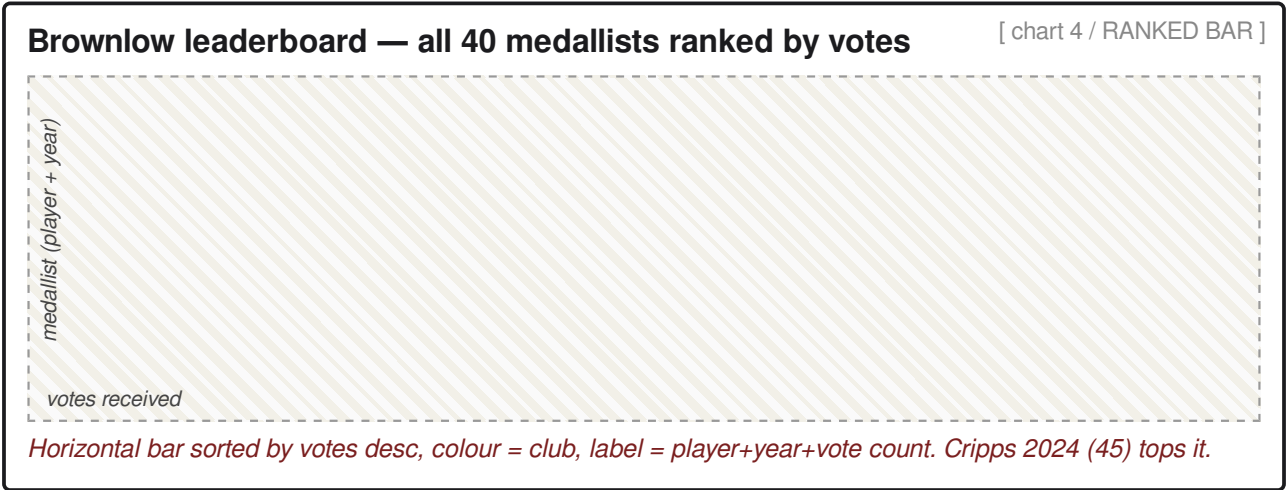

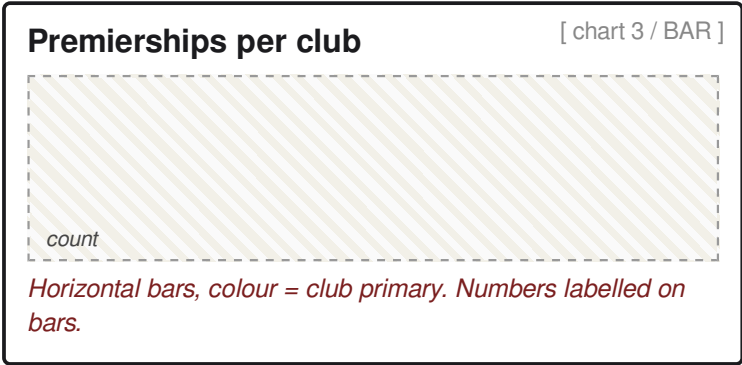

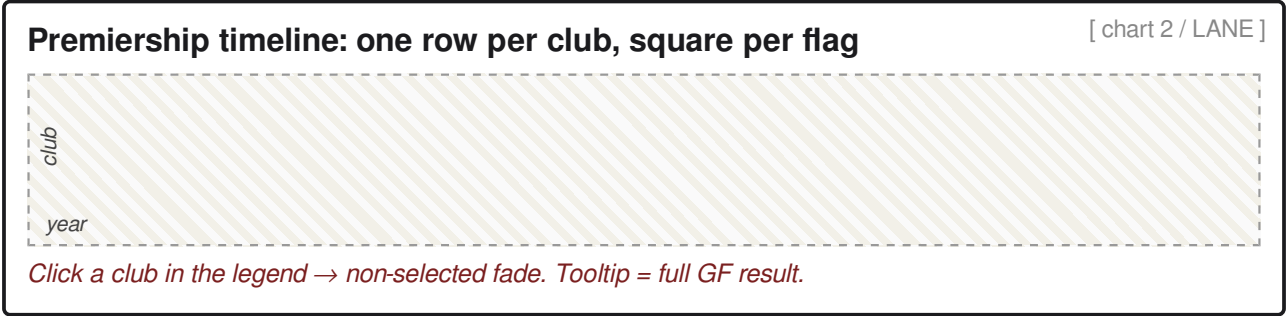

Where games are played, by host state

[chart 10 / AREA]

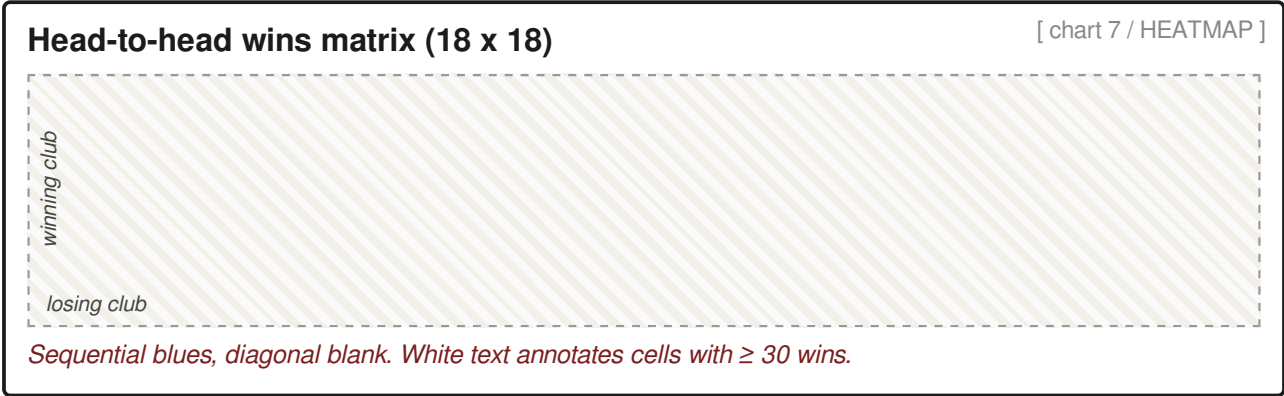

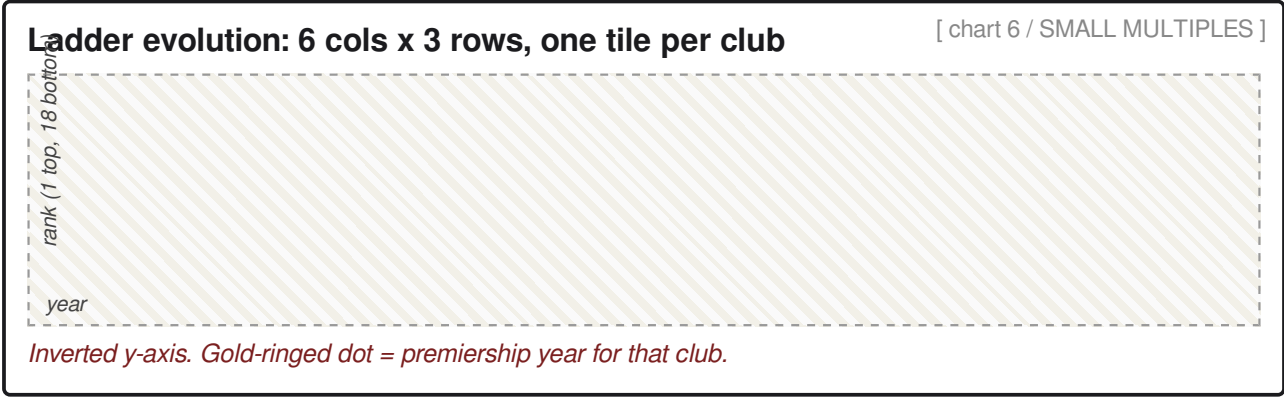

Stacked area, one colour per state. Annotate the COVID 2020 spike in QLD.

02 — CHAMPIONS OF THE MODERN ERA

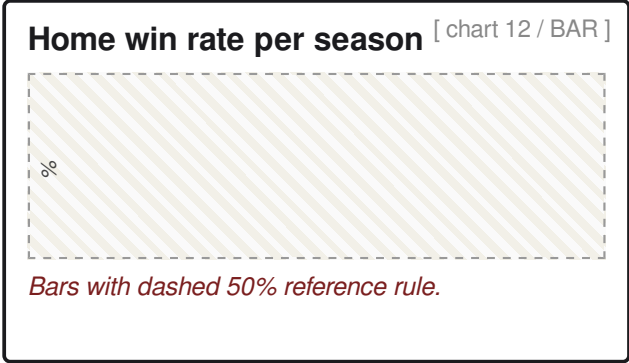

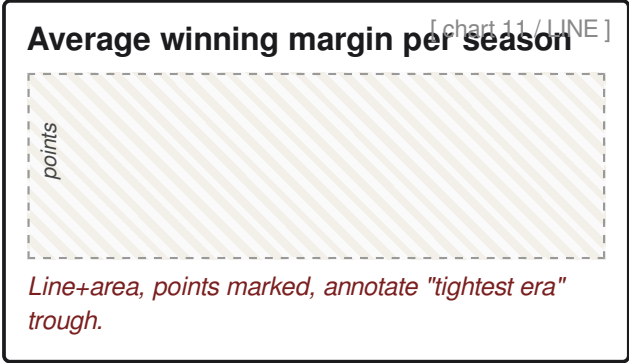

03 — READING THE LADDER

04 — THE TRAVELLING CIRCUS

05 — HOW THE GAME HAS CHANGED

Every match margin, every season

[chart 13 / STRIP]

~6,800 dots, jittered. Colour by who won (home/away/draw).
